HAWAII CHILDREN'S THEATRE

We're a theatre and a school!

Our year-round programs provide opportunities for all ages of students at all levels of ability. Talent is not the number one ingredient. Our curriculum is designed to develop life-skills such as confidence, critical and creative thinking skills, cooperation and teamwork, and artistic sensitivity. Hawaii Children's Theatre is a place where students create, and through creating, learn about themselves, their ideas, and their relationship to others.

We Value:

- ◆ The opportunity to educate children in theatre arts
- ◆ The right of any student to participate in theatre
- ◆ The excellence that results from this involvement
- ◆ Equal opportunities for all keiki
- ◆ Expanded imaginations
- ◆ Cultural community development
- ◆ Expanded personal horizons and global vision.
